PLANNING SUPPORT

Assess the land and market context, proposed plot offering, buyer requirements, and development positioning.

MARKETING & SALES

Translate the proposed development into a clear proposition for buyers and channel partners.

SPECIALIST COORDINATION

Technical planning, legal reviews, and statutory processes require the appropriate specialists. Scope is agreed for each engagement.

06 / LAND MONETIZATION

Connect land with its next opportunity.

Estatix supports landowners and developers through opportunity assessment, buyer matching, and transaction coordination.

LANDOWNER ADVISORY

Understand the landowner’s objectives and evaluate suitable sale or development options.

DEVELOPER MATCHING

Connect relevant land parcels with developers seeking opportunities for new projects.

FEASIBILITY & DUE DILIGENCE

Coordinate commercial assessment and qualified legal and technical reviews to identify and reduce transaction risks.

INFORMED DECISIONS

Due diligence supports informed decisions; it does not eliminate every potential future dispute.

SUBMIT A PARCEL

Share the location, approximate area with units, ownership or representative status, and your objective on WhatsApp: +91 7000489767.

07 / HOSPITALITY CONSULTING

A hospitality vision grounded in feasibility.

Help investors understand what a land parcel could support, which hotel concept may fit, and the economics to evaluate.

LAND & CONCEPT

Assess location suitability and the proposed hotel or resort concept.

BRAND & OPERATOR FIT

Identify potential hospitality brands and operators aligned with the investor’s site and brief.

DEVELOPMENT COST

Evaluate estimated construction and development requirements with relevant inputs and specialist support.

REVENUE FEASIBILITY

Estimate potential revenue based on stated market and operating assumptions. Projections are estimates, not guaranteed outcomes.

ENGAGEMENT SUPPORT

Coordinate hospitality brand discussions and advisory work within the agreed scope.

Completed sales. Clear outcomes.

Selected results supplied by Estatix. These projects are shown as completed sales engagements, not current stock.
